**IMPORTANT:** Our family has been offering unique family ranch vacations for over 70 years. To preserve this tradition for your family and many other families, it is mandatory to have you sign a release form. We are a working ranch and deal with horses, other animals, and the outdoor wilderness on a daily basis. Although these activities will bring you enjoyment, there is always a chance of accident or harm. We have a comprehensive release form which releases our family and workers from any responsibility should an accident occur. This form **MUST** be signed to participate in our activities. You will be asked to sign this form upon your arrival at the ranch.
